Submitted to His Highness.

The question of travelling allowances to be given to non-official members of the Legislative Council for journeys to attend meetings of the Legislative Council and of select committees, was considered in Council. The appended extract from the Council Proceedings contain the opinion of Council. The rates therein recommended, which are slightly higher than those suggested by the Financial Secretary, may be sanctioned.

The grant of actual expenses, subject to certain limits, does not appear desirable as it gives rise to much unnecessary correspondence.
